Dear Mr. McKinsey,

Please be advised that this document is a follow-up to my letter dated September 27, 2011, for which this office has not received a response. As outlined in my letter, your facility requires a Site Plan Special Permit for the on-site clinical therapy and services currently being provided at the above referenced property as this is a residential district.

This is a violation that requires your immediate attention. You are hereby requested to contact this office within 10 business days to discuss this important matter.

Sincerely,

Thomas M. Preiato
